Answer

MINISTER OF STATE IN THE MINISTRY OF RAILWAYS

(SHRI RAJEN GOHAIN)
(a): Yes, Madam. The Government has installed CCTV cameras on a limited number of coaches of passenger and suburban trains on a pilot basis. The work has already been completed in about 25 passenger coaches and 90 suburban coaches. In addition to this, 8 Humsafar rakes (176 passenger coaches) that have been turned out by Production Units of Indian Railways, have also been fitted with CCTVs.

(b) & (c): No, Madam. Feedback from train commuters has not been sought since it is a provision for improving the passenger security.
